CRYSTAL SAUVIGNON BLANC

[CURICÓ VALLEY / *Valle de Curicó*]

VINTAGE: 2022 **ORIGIN:** Curicó Valley
SOIL: Granite, with clay and quartz.

This Sauvignon Blanc has a pale yellow colour and surprises from the outset with its freshness and delicate touches of white peach. In the mouth, the freshness is noticeable from the first instant, but after a few seconds enveloping sweet and creamy notes appear, delivering a long and pleasant finish. It is a versatile wine, ideal for accompanying fresh and grilled fish, shellfish and different types of cheese.
