

DIABLO

A pact with the extraordinary

VOLCANIC CAB

[RAPEL VALLEY / *Valle del Rapel*]

VINTAGE: 2020 **ORIGIN:** Valle del Rapel

SOIL: Colluvial with volcanic ash.

From ancient and mysterious soils of volcanic origin, comes this Cabernet Sauvignon, offering aromas of blackcurrant and cherry, with smoked notes reminiscent of burning wood. This wine offers a firm structure on the palate right from the start. It ends with a pleasant smoky feeling that makes a good combination with its very present tannins. Diablo is versatile, and it is perfect to pair with roasted red meats and aged cheeses.
